

ZeroClaw Solana Payment Desk

A direct submission packet for a chat-native, non-custodial Solana payment workflow: request, externally sign, and byte-verified confirmation.

Included documents

- ZeroClaw Solana Payment Desk (Submission Write-up)
- Quality and Reliability Evidence (Supporting Material)
- Operator Reproduction SOP (Supporting Material)
- Bounded Agent Operating Skill (Supporting Material)
- Redacted Configuration Template (Supporting Material)

Secrets redacted. Code repositories are linked from the write-up.
